

Dear Chapter Presidents,

We are proud to announce the 2015 Collegiate Transition Awards to be presented at the 52nd National Convention in Houston, TX.

The National Collegiate Transition Taskforce will recognize one Alumnae Chapter and one Collegiate Chapter in each of the seven regions for their stellar efforts in ensuring the successful transitioning of collegiate members. All chapters are welcome to apply.

GUIDELINES:

1. All nominations must be received no later than **Friday, June 12, 2015**.
2. An electronic photograph, nomination form, nominee summary and supporting documentation for each nomination must be submitted to ctt@deltasigmatheta.org.
3. All submissions must be in Microsoft Word 2007/2010 and must not exceed 500 words.

We look forward to reading about and seeing all of the exciting ways that chapters have addressed collegiate transitioning!

Sincerely,

Sherina Maye

2015 COLLEGIATE TRANSITION AWARD

Kansas City (MO) Alumnae Chapter

The Kansas City (MO) Alumnae Chapter connected with the Lambda Epsilon Chapter at the University of Missouri – Kansas City through what we called “Intentional Touch-Points”. This year we focused on alleviating myths and concerns about collegiate transition by taking a grass-roots approach.

Alumnae chapter members engaged collegiate sorors through supporting Delta Academy and GEMS as panel participants during National Collegiate Transition Month, connected the collegiates with social action service projects in the community through

our Social Action Committee and supported their attendance at committee and chapter meetings. Lambda Epsilon was also invited to participate on the alumnae chapter Fundraising Committee in an effort to observe and participate with an alumnae committee to sharpen their fundraising and business skills as they create innovative ideas to take back to their chapter.

Our graduate advisors hosted a “Past, Present, Future – Sisterhood through the Years” with Lambda Epsilon, to strengthen the relationship and sisterhood amongst

members, but to also, prepare the senior sorors for transiting into the alumnae chapter. The evening was filled with fellowship and future expectations as a Delta woman.

Lastly, our Intentional Touch-points culminated with Our Sisterhood Fellowship Tea where collegiate sorors were able to network with alumnae members in their field of study; additionally the collegiates, of which majority are new members, were able to hear and learn with alumnae members the steps to register for convention, do and don'ts, and share in the overall excitement of our sisterhood.

Additionally, Kansas City (MO) Alumnae Chapter provides enthusiastic and actively present advisors to four chapters in the state of Missouri and Kansas, engaging our collegiate sorors in service efforts at their campus, but also ensuring exposure to conducting business at the alumnae level by inviting them to attend and present and chapter meetings. These relationships have positioned the chapter to willingly and fervently support their request for funding to attend our 52nd National Convention.

As the local alumnae chapter, we will continue to support and transition our collegiate sorors as they reaffirm their lifetime commitment and prepare for life after college.

Respectfully Submitted,
